I have had my adopted cat neutered with Poi Dogs /The Big Fix. It is an affordable program that I was able to utilize through the EBT program. Without it, I would not have been able to afford the services. I'm fortunate, because my cat is an indoor only cat, but those who have outdoor cats, whom I'm sure love the cats, otherwise, they wouldn't be fed, cannot afford the high price of neuter /spay . Mahalo nui..
